

A scenic view of a canal in Borculo, Netherlands. On the right, a restaurant terrace with a black metal railing and closed patio umbrellas is visible, with several people seated at tables. The terrace is adjacent to a white building with a red-tiled roof. On the left, a brick house with a red-tiled roof and white-framed windows sits on a raised bank. A large, leafy tree stands in front of the house. The canal water is calm, reflecting the surrounding buildings and trees. Several lily pads float on the water's surface, and two white swans are swimming in the foreground. The sky is clear and blue.
